Monthly business meetings are held on the first Tuesday of every month at 7:00pm at Dottie's restaurant 5275 Babcock St. NE, Palm Bay, Florida. Kicktires are held every Friday evening at 7:00pm at various locations, call 321-952-1448 for information.

Happy Thanksgiving, everyone in FL2-D!
We have so very much to be thankful as Americans. We are blessed to live in a free country, which means free to vote, to worship God, to travel, to work where we desire, and to come and go as we please. If that wasn't enough we have full stomachs, comfortable homes, great transportation (goldwings), education, and friends who bring joy to our lives.

Chapter Director notes:

Well hello all, I think we have had a very good month. We went to the poker run in Lakeland, a camp out at Rainbow Springs, ride to Biketoberfest, and a breakfast visitation ride to Titusville.

Mike and Charlotte went to Virginia to the "Rally in the Valley", so Mike could get some more roses. He also got that camping trailer he's been talking about. I guess we will be doing more camp outs.

The weather is getting cool and we have some good rides planned for November, so come out and join us. If any of you have an idea for a ride please let us know.

The time is getting short for the five chapter breakfast. We need your door prizes and what you would like to do that day. I need kitchen and serving line help, 50/50, grand prize ticket sales, and just plain help.

One quick note about our rides: they are learning experiences for all, no matter how long you have been riding there is always something to learn. Ask Carl, he learned that you shouldn't sneeze with your face shield down.

Hope to see you all soon, ride safe and have fun. THIS IS THE NOV SCHEDULE OF EVENTS WE WILL TRY TO MAKE MOST OF THEM TIMES OF DEPARTURE AND MEET-

HAPPY BIRTHDAY

PERFORMANCE FIRST™

Now featuring the biggest engine of any mass-produced motorcycle, the new 1832cc Gold Wing brings performance to the touring class.

*Powerful new 1832cc liquid-cooled horizontally opposed six-cylinder engine produces smooth, effortless power.

*Massive 45mm front fork offers 5.5 inches of travel for a smooth well-controlled ride.

*First ever combination of anti-dive system and LBS system produces outstanding stability when braking at both low and highway speeds.

*Aluminum dual-spar frame and Pro-Link suspension with 2-memory pre-loaded adjustment provide superb riding comfort.

*Rigid Pro Arm single-sided cast aluminum swingarm assures optimum handling.

*All-new, lightweight electronic cruise control system utilizes a 16-bit CPU-controlled, motor-actuated throttle mechanism for increased speed variation sensitivity.

*Advance fuel injection system creates ideal fuel mixture and spark advance for superior driveability.

*Optional Anti-lock Brake System features an electric-motor driven modulator which provides rapid but smooth and precise braking.

20 Point Safety Check, only \$21.00 plus tax. After hours? Need to schedule service? No problem! Just drop us an e-mail. We'll get back to you the next business day. (Be sure to include your phone number.)
